

Training for New Registrars

August 7 - 8 2017

FUNDAMENTALS OF ABSTRACTING WORKSHOP

Is a free class geared toward new abstractors who are not familiar with the abstracting process. Students use Abstract Plus to work through cases using the Missouri Cancer Registry and Research Center Abstract Code Manual. If you are not familiar with abstracting and/or the required fields, this is a great place to start. The class is held at the offices of the Missouri Cancer Registry and Research Center in Columbia, Missouri.

Free workshop!

Pre-registration
required!!

Detailed information will
be sent to registrants
regarding directions,
room location, etc.
